

HEAL THE WORLD **Meeting the pupils in Lesot's elementary School**

Ce mardi 21 juin 2022, nous sommes allés rencontrer les CM2 de Lesot A avec Me Fumana , professeure d'anglais, et Madame Tekaya, notre coordonatrice REP+!.

Nous avons présenté nos projets de l'année en anglais : le challenge des superhéros, la présentation d'une célébrité de notre choix, nous avons présenté notre assistante d'anglais , Ariel Barbee et enfin nous avons présenté notre dernier projet en anglais: "Heal The World". Nous avons créé notre propre single, avec une chanson, créé notre pochette d'album et nous avons proposé des solutions pour améliorer le monde dans lequel nous vivons et certains problèmes de société (éducation, maladies, famine, guerres, pollution). En voici quelques photos et extraits, ainsi que l'enregistrement de notre chanson!

Ariel barbee, our Americian English language assistant

She's from Chicago , in Illinois. She lives in a surburb next to the city center .

Chicago is inside Illinois , it is a big city .

It's famous because of its former president, Abraham Lincoln. He was born in Illinois.

Ariel has 2 sisters and she loves reading. She wants to study French to translate texts.

Part 1: The superhero Challenge!

I am at Arthur Rimbaud College and we have to present our project to you. The project I am going to present to you today will be about superheroes. We had to imagine an illustrious superhero and make a description of our imaginary superhero. Then they hung our project in the college hall . Then anyone who wanted to vote for the description they liked the most . We did this project with our English teacher, Ms Fumana

The 5 A class .The best class!
(and the 5CD)

"My superheroine is Violette. Her name is Violette because she's got purple eyes! She's got long brown hair, a normal face, a little nose and freckles. She's thin and small. She's 12 years old and she's very powerful. She lives in France. She's got two little sisters, one little brother and one big brother. Her costume is blue and purple, she's got a purple cape and boots, a blue mask and bracelet, purple gloves, a top and purple boots. She's very smart. She has all magical powers! "

Les 5D

There are too many problems in this world. We need to find solutions!

1/ Protect the environment

To protect the planet, we can recycle glass, paper and plastic
If we want to avoid pollution, we can bike more and stop using cars .
To avoid global warming, we can plant trees
To protect animals, we can stop poaching in Australia, Africa, Brazil..
To stop deforestation, we must stop using paper! If we use paper, we need to recycle !
We need to stop killing animals: we can stop eating meat or chasing animals.
We need to stop throwing plastic in the ocean. We must put our waste in the bins.

2/ Help children or people in need

To help children in need (in hospitals or in orphanage, children that can't go to school or can't eat), we can donate money to develop schools.
We can give or bring gifts/ presents to the orphans for them to enjoy!
We can donate food or, clothes to poor people.
We can visit hospitals and give sick children healthy and organic food.
To help children at school; we need to stop bullying (mock or insult pupils) at school.
We can create a charity and give food, clothes or organic food to people in need.
We can become doctors and work abroad!

3/ Stop the war!

We can educate adults and teenagers or young people to politics.
We can vote to change politicians or presidents.
We can also forbid guns or weapons.

Nos ressentis:

Nous avons aimé rencontrer les élèves de CM2 Lesot A car ils ont une bonne participation , ils étaient attentifs , ils posaient des questions , ils ne se moquaient pas quand on faisait des erreurs .
Ca nous a aidé pour l'oral . Ils étaient sympas et calmes , nous nous sommes sentis bien accueillis .
Nous étions fiers de leur présenter nos projets.
Ils ont compris ce que nous avons dit en anglais et ça nous a surpris.
Ca leur a plu et ils nous ont dit qu'ils avaient appris beaucoup de choses.
Certains d'entre nous étions à l'école Lesot et nous avons aimé revoir notre école.
Nous avons beaucoup progressé depuis le CM2!

**Un grand bravo aux 3 classes de 5A, C Et D pour leur travail cette année et aux élèves volontaires venus présenter leurs projets à l'oral, en anglais aux élèves de l'Ecole Lesot!
Ce fut un beau moment de partage avec les CM2 !**

Merci à l'école Lesot de nous avoir accueillis et d'avoir écouté attentivement les 5èmes!
